Congratulations!

You have successfully completed the **Fundamentals of Starting and Running a Business** course. Your certificate is below.

Your certificate is embedded below and has opened in a separate browser window. Please make sure that pop-ups are not blocked on your computer. Once the window appears, click 'Save As' and save the certificate as a PDF file. Once you close this window, you cannot make it reappear without completing the quiz again. To print or save your certificate embedded below, please use the instructions found [here](#).

YALI Network online courses are available for you to take at your own pace, in an individual setting or with a group. Additional resources are available with each course including discussion guides and publications on related subjects. There are more than 25 YALI Network online courses for which you can earn a certificate.

Check them all out here: yali.state.gov/courses

Consider using your leadership skills to share what you learned with your own networks and organize a virtual or in-person YALILearns session: <https://yali.state.gov/learns/>

Be sure to stay involved with the YALI Network for more opportunities to collaborate with young leaders across Africa.
